

UpToDate[®]

Registration Steps via Sladen Library website

Go to the Sladen Library homepage at <http://henryford.libguides.com/sladen>

Under **Quick Links** on the right side, click **UpToDate inside HFHS**. If you are accessing the page from outside the HFHS network, click on **UpToDate Remote & CME** instead. **Note, you cannot use the HFHS.Guest wireless network to access any electronic resources.** Authenticate with your HFHS ID & password to proceed.

Once the site opens, you'll see the banner below. Click on **Register**.

Complete all fields and click the Submit Registration button. This is a one-time registration and will pair your UpToDate ID with EPIC and HFHS.

Register for an UpToDate account

Register today for an UpToDate mobile app for your iOS, Android or Windows 8 device, remote access from your home or office computer, the Current Updates newsletter and free CME credit accrual when researching a clinical question onsite or remotely.

Already registered? Please [log in](#) with your UpToDate username and password.
